

COUNTER CULTURE 5 THE SANCTITY OF LIFE

THE FACTS OF LIFE

Origins of life

All life is sacred and of high value

Where does life come from?

When does life begin?

TWO VIEWS

Secular world view – Evolution (happenstance)

Evolutionary chain of events, accident

Biblical world view – Created by God

Here on purpose; for a purpose and by divine design

- God's Word is the final authority (Romans 3:4)
- God's Word is truth (John 17:17 John 8:31-32)

A. OUR CONSTITUTION (Founding Documents)

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness.”

B. ABORTION LAWS OF 1973

We were promised ... rare, safe and legal

Arguments: It's not a human (all genocide begins by dehumanizing victims)

A woman's right to her own body

Fetes?

Tissue mass

C. GOD'S WORD

Psalm 139:13-16 (NLT) (TPT)

God forms us in our mother's womb

We are wonderfully and fearfully created

Jeremiah 1:4-5 - Jeremiah

God knew him & before in the womb

God called & appointed him in the womb

Galatians 1:15-16 (NKJ AMP) - Apostle Paul

Luke 1:39-44 NLT (Dr. Luke) – John the Baptist

Leaped within Elizabeth's womb

Heard Mary's voice

Jumped for joy! (Emotions) – Vs. 43-44

Luke 1:13-15 (KJV)

John was filled with the Holy Spirit in the womb?

Fetes? Tissue mass?

Medical Science and Technology confirms God's Word!
